General News:

There has not been much activity the past 6-8 weeks due to the nearly total noncooperation of the weather gods. Darryl, Gary and Darwin put in quick flights on New Year's Day to keep the tradition going. Four of the Old Pharts were out Jan 20 for a couple of hours. 4 pilots, 4 planes, 2 crashes. One red Electro Stick crashed due to apparent failure of the elevator clevis and one F-105 electric ducted fan crashed when it got away from the pilot. There have been a few nostalgic "reunions" for lunch at Skooter's followed by a drive by of the field and wishes for better weather.

Our annual Swap Meet is set for Saturday, March 3rd at the Moose Lodge, 2425 North Illinois, Swansea. It is immediately north of the Swansea Metro Link Station. Final details to be discussed at the February Club Meeting,
